STATEMENT OF OBJECTS AND REASONS.

The Tamil Nadu Transparency in Tenders Act, 1998 (Tamil Nadu Act 43 of 1998) was enacted for transparency in the public procurement and regulates the procedure in inviting and accepting tenders. In the implementation of the said Act, the need for certain improvements was felt as detailed below:

(i) The said Act, the term 'Service' is not defined. It is desired to define the term 'Service' (excluding the services of Legal Counsel);

(ii) It is now desired to outsource the procurement of goods and services by the procuring entities on payment of fee so as to ensure best price by availing expertise of procuring agencies;

(iii) Consequent on the implementation of e-tendering in the phased manner, it is desired to publish tender bulletin in electronic mode;

(iv) In the said Act, it is provided for procuring goods and services from domestic enterprises without following tender procedures with limitation in quantity and restriction in price. It is now desired to provide for purchase preference to such domestic enterprises;

(v) In the said Act, it is provided for procurement of goods manufactured by Government departments, Public Sector Undertakings, Statutory Boards and such other institutions as notified by the Government with limitation in quantity and restriction in price. It is now desired to provide for purchase preference to the above said entities;

(vi) It is desired to provide for procurement of certain services without following tender procedures by granting exemption;

(vii) In the said Act, provision is made for procurement of goods following rate contract of the Director General of Supplies and Disposals (DGS&D) without following tender procedures. The Directorate General of Supplies and Disposals was closed by 31.10.2017. Consequently, it is desired to amend the said exemption;

(viii) In the said Act, exemption is provided for certain spot purchase of goods and it is also provided to exempt similar procurements goods and services by notification. In this provision, the exemption is available for similar procurement 'from similar organizations'. But it is erroneously mentioned as 'by similar organization'. It is desired to rectify the error suitably;

(ix) The Government of India created Government e-Marketplace-Special Purpose Vehicle as a one stop shop for online procurement of common use goods and services as required by various procuring entities. The Government e-Marketplace aims to enhance transparency, efficiency and speed in public procurement. It provides the tools of e-bidding, reverse e-auction and demand aggregation to facilitate the government users, achieve the best value for their money. The low value procurement through Government e-Marketplace has been permitted as an optional mode subject to certain conditions. Considering its advantages, it is desired to allow the above mode for procurements above low value.

2. The Government have therefore decided to amend the said Tamil Nadu Act 43 of 1998, suitably for the above said purposes.

3. The Bill seeks to give effect to the above decisions.

O. PANNEERSELVAM
Deputy Chief Minister.

MEMORANDUM REGARDING DELEGATED LEGISLATION.

Clauses 1(2), 3, 4, 6 and 7 of the Bill authorize the Government to issue notifications or to make rules as the case may be, for the purposes specified therein.

2. The powers delegated are normal and not an exceptional character.

O. PANNEERSELVAM
Deputy Chief Minister.
